Installation Notice

The BR203C speaker system suits a wide range of Mercedes vehicles* without any modification of the original wiring or electrical system. The original speakers can be simply replaced ensuring a later re-install of the OEM equipment. Mounting the BR203C in the rear doors of some models* or in the front doors of the Coupe or Convertible version of the C-Class requires original speaker panels of the models with Burmester Sound-System (available separately at Mercedes parts trade).
